PETITIONING THE COURT

☐ To extend the term of supervision for __ year, for a total term of __ years.

☒ To modify the conditions of supervision as follows:

The defendant shall pay a minimum of \$50 a month towards his financial obligation.

CAUSE

On November 20, 2006, O'Ree began his term of supervision. On December 20, 2006, O'Ree reported to the community corrections facility to begin his six (6) month commitment which was ordered as a special condition of supervised release. While at the halfway house, he has obtained employment and earns steady income. However, he has failed to make satisfactory progress towards his court ordered financial obligations including paying a \$100 special assessment fee and \$7,329.39 restitution. A review of his income along with his expected debts upon release indicates that he is unable to pay the \$150 per month payment which was ordered by the court at sentencing. Considering he is making satisfactory progress with his other conditions, it is respectfully requested that the court modify his payment schedule as requested to create the best atmosphere for a successful period of supervision. The probation officer has counseled O'Ree about his finances and created a budget that will help O'Ree manage his money. O'Ree consented to the modification and signed a waiver of hearing to modify the conditions of supervision.
